Lastly, even right before his intent dissolved into the dharmadhātu, he was so kind in giving with great joy and love the precious clothes of the past saint Lhe Brongtrul Nuden Dorje, gifts and so forth, the measure of his kindness is difficult to express.

In the presence of his precious body, I composed one verse regularly every evening, with respect to my faculties and fitting to the occasion of making aspiration-prayers.

These were written down as one text on the 15th day of the waxing moon of the 11th month (January 6, 2023), by one who was given the name Konchog Nyima Gyaltsen, or is called Rigpe Langtso, 'the splendour of awareness'. It was composed at the seat of the Guru, the monastery of the victorious Drikungpas, Wogmin Thubten Shedrup Ling, in the holy place Tso Pema, the Lotus Lake, in Zahor.
